WITS STUDENT PRINTING AND PHOTOCOPYING SURVEY

University of the Witwatersrand — School of Statistics and Actuarial Science
STAT4102: Applied / Advanced Sampling — Mini Project

Purpose of the survey

This survey collects information on how many pages students print or photocopy in a typical month. The results will be used for a class project to estimate average monthly printing demand among Wits students. Your responses are confidential and will be reported only in aggregate. Participation is voluntary, and you may skip any question you do not wish to answer.

Instructions

- Please answer all questions as accurately as possible.
- Think about the **last full calendar month (30 days)** when answering Questions 4–7.
- A "page" means one side of one sheet of paper. If you printed double-sided, count each side as one page.
- Photocopying includes copies made on campus or elsewhere for study purposes.
